Hi Christina,

We will be giving a general update on the review status of the clothianidin and thiamethoxam colony feeding studies, but we will not be getting into any detailed statistics discussion. I don't think Christine Hartless will be attending the RAW meeting, but she passed along an update for me / Michael / Ryan to share:

## Ex. 5 - Deliberative Process

Thanks,

Monica

Hi Monica,

Do you know if EFED/Christine are planning to talk statistics at the RAW tomorrow?

Thanks!
